REASON FOR DECISION

Subject to compliance with the schedule of conditions, the development will accord with the relevant provisions of the Local Development Plan 2016 and there are no material considerations that would justify a departure from these provisions.

SCHEDULE OF CONDITIONS

- 1 The development hereby permitted shall not be carried out otherwise than in complete accordance with the plans and specifications approved by the Planning Authority.
Reason: To ensure that the development is carried out in accordance with the approved details.
- 2 The steel portal framed shed hereby approved shall measure a maximum of 12m by 12m to a maximum height of 3.5m, unless otherwise agreed in writing by the Planning Authority. Prior to its erection, elevation drawings of the building and details of its colour and external materials shall be submitted for the written approval of the Planning Authority. Thereafter, the shed shall be erected in strict accordance with the agreed in writing details.
Reason: To secure control over the steel portal framed shed building hereby approved.
- 3 The water tank hereby approved shall measure a maximum of 7.5m (diameter) to a maximum height of 2.5m and shall be of corrugated steel construction, unless otherwise agreed in writing by the Planning Authority.
Reason: To secure control over the water tank hereby approved.
- 4 Prior to the commencement of development, a scheme of details for soft landscaping shall be submitted to and approved in writing by the Planning Authority. The scheme of details shall include:
 1. A site plan showing details of proposed soft landscaping;
 2. A plant/ tree/ shrub schedule including position, sizes, species and numbers;
 3. Details of planting maintenance.

Thereafter, all agreed planting shall be carried out by the end of the first planting season following the commencement of development, unless otherwise agreed in writing by the Planning Authority, and the planting shall be maintained thereafter in strict accordance with the agreed maintenance measures.

Reason: To ensure satisfactory form, layout and assimilation of the development.

FOR THE INFORMATION OF THE APPLICANT

It should be noted that:

- 1 The applicant is advised to ensure there is a suitable agreement in place regarding access to the site.

N.B: This permission does not include any consent, approval or licence necessary for the proposed development under the building regulations or any other statutory enactment and the development should not be commenced until all consents are obtained.

Under The Control of Pollution Act 1974, the Council recommends the following hours for noisy construction-related work:

Monday-Friday 0700-1900

Saturday 0800-1300

Sunday and Public Holidays - no permitted work (except by prior agreement with the Council)

Contractors will be expected to adhere to the measures contained in BS 5228:2009 "Code of Practice for Noise and Vibration Control on Construction and Open Sites".

For more information or to make a request to carry out works outside the above hours, please contact an Environmental Health Officer at the Council.

Notice of Initiation of Development

Section 27 of the Town and Country Planning (Scotland) Act 1997 (as amended) requires that any person who has been granted planning permission (including planning permission in principle) and intends to start development must, once they have decided the date they will start work on the development, inform the planning authority of that date as soon as is practicable. A form is available on the Council's website for this purpose.

Notice of Completion of Development

Section 27B of the Town and Country Planning (Scotland) Act 1997 (as amended) requires that any person who completes a development for which planning permission (including planning permission in principle) has been given must, as soon as practicable after doing so, give notice of completion to the planning authority.

When planning permission is granted for phased development then under section 27B(2) the permission is to be granted subject to a condition that as soon as practicable after each phase, other than the last, is completed, the person carrying out the development is to give notice of that completion to the planning authority.

In advance of carrying out any works it is recommended that you contact Utility Bodies whose equipment or apparatus may be affected by any works you undertake. Contacts include:

If the applicant is aggrieved by the decision of the Planning Authority to refuse planning permission for or approval required by a condition in respect of the proposed development, or to grant permission or approval subject to conditions, the applicant may require the planning authority to review the case under Section 43A of the Town and Country Planning (Scotland) Act 1997 (as amended) within three months from the date of this notice.

The notice of review must be submitted on the standard form and addressed to the Clerk of The Local Review Body, Democratic Services, Scottish Borders Council, Council Headquarters, Newtown St Boswells. TD6 0SA or sent by email to localreview@scotborders.gov.uk. The standard form and guidance notes can be found online at [Appeal a Planning Decision](#). Appeals to the Local Review Body can also be made via the Scottish Government Planning and Environmental Appeals Division by clicking on the following link [PEAD](#)

If permission to develop land is refused or granted subject to conditions, whether by the Planning Authority or by the Scottish Ministers, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, the owner may serve on the Planning Authority a purchase notice requiring the purchase of his interest in the land in accordance with the provisions of Part 5 of the Town and Country Planning (Scotland) Act 1997 (as amended).
