REASON FOR DECISION

Subject to compliance with the schedule of conditions, the development will accord with the relevant provisions of the Local Development Plan 2016 and there are no material considerations that would justify a departure from these provisions.

SCHEDULE OF CONDITIONS

- 1 The development hereby permitted shall not be carried out otherwise than in complete accordance with the plans and specifications approved by the Planning Authority.
Reason: To ensure that the development is carried out in accordance with the approved details.
- 2 The external surfaces of the development hereby permitted shall be completed in the materials shown on the plan hereby approved, and no other materials shall be used without the prior written consent of the Planning Authority.
Reason: To ensure a satisfactory form of development, which contributes appropriately to its setting.

FOR THE INFORMATION OF THE APPLICANT

It should be noted that:

- 1 The Council's Flood Risk team offer the following advice:

Should the applicant require them, a number of flood protection products such as floodgates and air-vent covers are commercially available and details of these can be found by calling Emergency Planning on 01835 825056 who are able to offer discounts for the products.

Use of water resilient materials and construction methods, as appropriate, is recommended as part of the development.

N.B: This permission does not include any consent, approval or licence necessary for the proposed development under the building regulations or any other statutory enactment and the development should not be commenced until all consents are obtained.

Under The Control of Pollution Act 1974, the Council recommends the following hours for noisy construction-related work:

Monday-Friday 0700-1900

Saturday 0800-1300

Sunday and Public Holidays - no permitted work (except by prior agreement with the Council)

Contractors will be expected to adhere to the measures contained in BS 5228:2009 "Code of Practice for Noise and Vibration Control on Construction and Open Sites".

For more information or to make a request to carry out works outside the above hours, please contact an Environmental Health Officer at the Council.

Notice of Initiation of Development

Section 27 of the Town and Country Planning (Scotland) Act 1997 (as amended) requires that any person who has been granted planning permission (including planning permission in principle) and intends to start development must, once they have decided the date they will start work on the development, inform the planning authority of that date as soon as is practicable. A form is available on the Council's website for this purpose.

Notice of Completion of Development

Section 27B of the Town and Country Planning (Scotland) Act 1997 (as amended) requires that any person who completes a development for which planning permission (including planning permission in principle) has been given must, as soon as practicable after doing so, give notice of completion to the planning authority.

When planning permission is granted for phased development then under section 27B(2) the permission is to be granted subject to a condition that as soon as practicable after each phase, other than the last, is completed, the person carrying out the development is to give notice of that completion to the planning authority.

In advance of carrying out any works it is recommended that you contact Utility Bodies whose equipment or apparatus may be affected by any works you undertake. Contacts include:
