

UPDATE FROM FOULDEN VILLAGE HALL

1ST FEB 2022

The Village Hall is reopening again after the latest enforced postponement/cancellation of events because of the Omicron variant of Covid-19.

The good news is that the Hall has now three Table Tennis tables for use with fixed sessions of play on Sundays from 5.00 to 7.00 pm & Thursdays from 1.00 to 3.00 pm. Come along and play a game (indoor shoes to be worn, please). For more details, contact Andy Manley 07999 884509.

The badminton court is also available for hire when the Main Hall is not occupied by other users. A net is provided but please bring your own racquet and shuttles. For booking enquiries, contact Lynda Shepherd, the Booking Secretary on Lyndashep12@gmail.com.

The Halls are always available for hire for parties, dances, clubs and societies, either single or repeated bookings. Charges are levied by the hour with special discount rates for local residents and regular events. The limit of numbers has now been lifted in line with the relaxation of Scottish Government Covid -19 guidance, but the Hall Committee still has its revised cleaning protocols in place and encourages the employment of good ventilation using the windows and roof vents.
